

# Welcome to Peru Travel well-informed

In view of the global outbreak of the new **COVID-19** coronavirus, **MINCETUR** and **PROMPERÚ**, together with the private tourism sector, can report as follows:

**1** There are no restrictions on entering or leaving the country.

**3** MINCETUR, PROMPERÚ and business associations in the tourism sector have created a working group to monitor the entry and exit of tourists at airports, ports and borders in Peru.

**2** The Country **maintains epidemiological surveillance** of COVID-19, implementing health protocols in line with international standards and reporting on this through its website:

[www.gob.pe/es/c/699](http://www.gob.pe/es/c/699)

The nationwide Tourist Protection Network provides **tourist information and assistance services** through **IPERÚ** (available in English):

☎ (+51-1) 574-8000

☎ (+51) 944-492-314

✉ [iperu@promperu.gob.pe](mailto:iperu@promperu.gob.pe)

## Recommendations to tourists

Reinforce hygiene habits.

In case of emergency, contact your embassy.

Always have your ID on hand.

Maintain frequent communication with family and friends.

It is advisable to have travel insurance.

Be aware of the health and legal requirements of the country you are visiting.

### If you have these symptoms:

- ▶ Fever and chills
- ▶ Coughing and sneezing
- ▶ Sore Throat
- ▶ Intense general discomfort
- ▶ Rapid breathing
- ▶ Shortness of breath

**✗ Don't self-medicate**

### Seek immediate attention

Go to the Air or Sea Health Department at the airport or port

Call **113** (telephone switchboard for the Peruvian Ministry of Health)
